

What is the Mishloach Manos Campaign???

Chaim, an IDF Infantry soldier who is stationed in Jenin, will be spending Purim without his family. Instead of celebrating and enjoying this joyous festival, he will be busy protecting our Land and our People. It is up to us to show how WE CARE by giving Chaim and others like him a Mishloach Manot that they can enjoy while guarding the front lines. **Be a partner in helping the soldiers by sponsoring Mishloach Manot for an IDF: Company, Platoon, Team, Squad OR a Lone Soldier.**
